# Before you begin

Make full flower squares and half squares, then sew them together through the back loops with a needle and matching thread. Use the layout for your size and finish the front edge and cuffs in two contrasting rounds.

Follow the size order XS, S, M, L, XL, 2XL, 3XL, 4XL, 5XL. Check both motif gauges. Add a further row of squares or half squares only if you need longer sleeves. When cutting the metallic yarn, weave in the ends immediately and tie a small knot to prevent unravelling.
