Before you begin

The body, head, arm and leg chains and Christmas hat are shared by both elves. Follow the Boy instructions for the waistband and scarf, or the Girl instructions for the skirt and hair.

Make 50-chain lengths in red for the legs and grey for the arms. Fill the base with poly pellets, then add fibre filling. Fit the 10 mm eyes between head rounds 9-10 with 5-6 stitches between them.

The hair uses 30 lengths of approximately 40 cm, or 12 m in total. The listed10 g allowance of textured acrylic yarn provides approximately 18 m. Attach the glasses and hat before finishing the pigtails and optional embroidered mouth and cheek colour.
