Before you begin

Use US crochet terms. Make a foundation of 11 chains and start in the second chain from the hook. Work round 1 with yarn A, rotating to work along the other side of the foundation. Fasten off and join yarn B for round 2.

Use one chain-four space for a 40 cm yarn-B hanging loop and the other for an eight-thread yarn-A tassel, trimmed to 15 cm. The body measures about 5.5 × 6 cm; this measurement does not include the tassel.

You can omit the tassel for a mini ornament, or replace the loop with earring hooks. The original stitch chart and full symbol key are included; the round numbers on the chart are red.

Loop & tassel

Hanging loop

Cut 40 cm from yarn B, matching with the ornament you've done. Pass it through the ch-4 sp worked at the end of round 2 and knot the two strands together. Trim the excess of yarn.

Tassel

Cut 8 threads from the same yarn A, group them and fold them in half. With the help of a hook, pull this fold through the other ch-4 space and pass the ends through the loop created by the threads. Pull tight and trim to make the tassel 15 cm long.
