Before you begin

Make full squares, two triangles and the stated number of half squares. Join the motifs into the back, fronts and two sleeves using the layout for your size. Add the sleeve edging where instructed, sew the garment and finish with single-crochet edges and cuffs.

Follow XS/S, M, L, XL, 2/3XL, 4/5XL throughout. Check both the stitch and square gauges. The right side faces you while working motif rounds and rows. Use black for the final round or row of every motif, and distribute contrast colours A-E as evenly as possible.
