Before you begin

Use US crochet terms. Start with grey for the toe, change to red for the foot, then work the grey heel back and forth. Sew the heel from the wrong side before beginning the red shaft.

The shaft begins with 32 stitches across the foot opening and 14 along each side of the heel, for 60 stitches. Follow the decreases to 56 and the later increases back to 60 before completing the shaft.

Turn the stocking inside out for cuff round 3 and work through the back loops. Fold the finished grey cuff over the stocking. The red strap is 24 single crochet stitches wide for three rows; leave a sewing tail and follow the original attachment photos.
