Before you begin

Use US crochet terms. The dolls share the same legs, body and head. Kat has striped legs; for Ada use Nude (003) throughout those instructions without colour changes. Arms, ears, hair, clothes, shoes and hats are attached separately.

Place the 10 mm eyes between rows 36 and 37, nine stitches apart. The source offers an optional stick, silicone bar or wire for neck support. Embroider the nose between rows 35 and 36, add white below the eyes and a little blush.

Source notes: the elf-hat heading says black although the original photos show green; both are retained. In that hat, rows 27-28 read “32 c”; the surrounding single-crochet rounds and count support “32sc”. The Mrs. Claus dress line “10 to 39sc” is rendered as row 10: 39sc before row 11. A missing parenthesis in Mrs. Claus hat round 15 is restored; the stitches and count are unchanged.
