Before you begin

Make full squares, half squares and triangles, then join them into the jacket using the assembly diagram for your size. Finish the front edges and cuffs in single crochet.

Read the size table and check both gauges before starting. The instructions follow XS/S, with changes for M, L, XL, 2/3XL and 4/5XL in parentheses. A single number applies to all sizes. Use the size order rather than colour alone.

A 4.5 mm crochet hook, or the size needed for gauge, and a yarn needle. If using yarn supplied in a continuous loop, carefully cut and remove its plastic tie before pulling out the working end.

Gauge

14 sc and 15 rows = 10 cm / 4 in. One square motif measures approximately 16 cm / 6 1/4 in across. Adjust the hook if needed.
